

Oppdatert: 05.05.21

Vi er åpent igjen og du er velkommen inn til oss på Nesbru for en hyggelig handel både i vårt MieleCenter, og i vår Miele Onboxed Outlet. Vi har normale åpningstider igjen og du finner alt av info på våre nettsider.

Under finner du en liste med produkter som finnes i vår outlet i dag, og som er tilgjengelig for kjøp så langt lageret rekker. Vi kan ikke reserve eller holde av produkter. Varene må kjøpes. Vi tar forbehold at varer kan være utsolgt da listen kun oppdateres en gang om dagen.

For kjøp og rådgiving kan du ta kontakt med oss på e-post, telefon eller via vår digitale online rådgiving. Alternativt så kan du nå ta turen inn til oss på Nesbru - Nesbruveien 71.

Mange av varene er utgatte og vil dessverre ikke være å finne i vårt sortiment på miele.no, men det kan være at du har mulighet til å finne informasjon om produktet ved å søke på nett.

Utvalgte produkter fra vår Outlet

Varene selges med full garanti og reklamasjonsrett. Produkter er ofte fra demo, utstilling og brukte varer. Det kan også være emballasjeskadete eller noen skjønnhetsfeil på produktene som gjør at prisene er reduserte. Spør om dette når dere er i kontakt med oss. Vi følger ikke markedspris, men rabatterer ihht til vår veiledende utsalgspris.
